Sleep In Heavenly Peace
Spencer, WI 54479

<https://www.shpbeds.org/chapter/wi-spencer-area>

Services: The organization is non-profit and their chapter will only serve clients within a 25 mile radius of Spencer, so this limits which of our Clark Co clients could benefit from this. It sounds like the preferred method is for us to complete the referral on behalf of the client, and likely be a liaison for the family with the non-profit organization. Heavenly sleep volunteers must deliver the bed and set it up, so the home would need to be conducive to allow delivery volunteers to safely get the bed in the home and set it up. Sleep In Heavenly Peace

Spencer, WI 54479

<https://www.shpbeds.org/chapter/wi-spencer-area>

Services: The organization is non-profit and their chapter will only serve clients within a 25 mile radius of Spencer, so this limits which of our Clark Co clients could benefit from this. It sounds like the preferred method is for us to complete the referral on behalf of the client, and likely be a liaison for the family with the non-profit organization. Heavenly sleep volunteers must deliver the bed and set it up, so the home would need to be conducive to allow delivery volunteers to safely get the bed in the home and set it up.
